MANUFACTURING CONTROL SYSTEM CERTIFICATE

No. 1390-CPD-0140/09/Z

In accordance with the Council Directive 89/106/EEC of European Economic Community of the 21st December 1988, on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (The Construction Products Directive – CPD), as amended by the Council Directive 93/68/EEC of European Economic Community of the 22nd July 1993, and in accordance with the provision of the Section 5, Article 1, Letter e) of the Government Regulation No. 190/2002 Coll., laying down the technical requirements for construction products bearing the CE marking, as amended by the Government Regulation No. 251/2003 Coll. and 128/2004 Coll., it is approved that the construction products

FATRAFOL 818/V

**plasticised polyvinyl chloride (PVC-P) based hydroinsulation foil for roofs
according to ČSN EN 13956:2006**

producer: FATRA, a.s., tř. T. Bati 1541
763 61 Napajedla

taxpayer registration number: CZ27465021

manufacturing plant: FATRA, a.s., tř. T. Bati 1541
763 61 Napajedla

are put by the producer to the initial tests on the type of product and the manufacturing control system and to other tests of samples in the prescribed manner and that the Notified body 1390

Centrum stavebního inženýrství a.s. Prague, workstation Zlín

carried the initial inspection in the place of manufacturing and in the manufacturing control system, and performs the continuous supervision, appraisal and approval of the manufacturing control at the place of producer.

This Certificate proves that all provisions concerning the appraisal of the manufacturing control system described in the annex ZA standards

ČSN EN 13956:2006

were applied.

This Certificate was issued on the 04th September 2009 for the first time and shall remain valid until the conditions determined in the harmonized technical specification, where the reference is mentioned, or production conditions in the place of production or the manufacturing control system significantly change.

In Zlín, on the 04th September 2009
